____**Cooled Shipped Semen.** It is the Stallion Owner responsibility to provide the mare owner with the industry standard number of viable spermatozoa in an industry standard container. The responsibility for conception is on the mare owner. A qualified, experienced licensed veterinarian competent in the use and handling of cooled semen should perform the insemination.

The breeding fee must be paid in full before any shipments are made, unless prior arrangements are made with stallion agent.

Collection Fee: the mare owner will be charged of €100,00 for collection fee and container.

Shipment Cost: to be paid before any shipment: €100 delivery of the semen within the following day of dispatch; €130 delivery of the semen within 9AM of the following day of dispatch (for the areas of destination supplied by this service)

YOU MUST REQUEST SEMEN BY 10AM ON THE DAY BEFORE SHIPPING

If shipment is lost or delayed the mare owner assumes all risks of lost time and expenses associated with preparation of the mare for breeding

Frozen Semen

Frozen Semen charge €200,00

All frozen semen will be handled by Dott. Angelo Ferrario +00393335880974 angeloferrario14@gmail.com

The stallion service fee includes 2 doses of frozen semen (8 straws) with each additional dose to be purchased at €100,00. In addition to the stallion service fee mare owner agrees to the following for each shipment of frozen semen.

- The breeding fee along with any additional frozen semen charges must be paid in full before any semen shipments are made.
- Mare owner will be responsible for dry shipper shipment to and from A.F. plus rental fee and exportation certificate. This shall be handled directly between mare owner and Angelo Ferrario (A.F.)
- Ordering frozen semen: mare owner must notify A.F. and stallion agent a minimum of 5 days for national and 10 days for international prior to shipment.

If, for any reason, the mare does not settle, mare owner will hold stallion agent harmless.

The breeding season begins on Feb 1st and ends July 1st.

If the mare dies or becomes unfit for breeding, the mare owner may substitute with another mare.

The mare owner is guaranteed one "live foal". Live foal requires that the foal stand and nurse for 24 hours. Proper written notice that the mare has slipped or produced a non-viable foal must be forwarded to the stallion agent within one week.

A non-refundable rebreed Chute Fee of €250,00 plus collection and shipping cost must be paid prior to any mare being re-bred.

A substitute mare may be used at the sole discretion of the stallion manager or if the original mare has died or is deemed unfit for breeding. No refunds will be given at any time for any fees for any reasons including the total breeding fee, chat fees or semen shipment fees.

A breeder certificate will be issued to the mare owner by the stallion agent upon notification of the birth of the foal.

The breeding fee shall be paid in full upon execution of this contract.
